

GREENWOOD PARK + BATON ROUGE ZOO MASTER PLAN

Party in the Park!

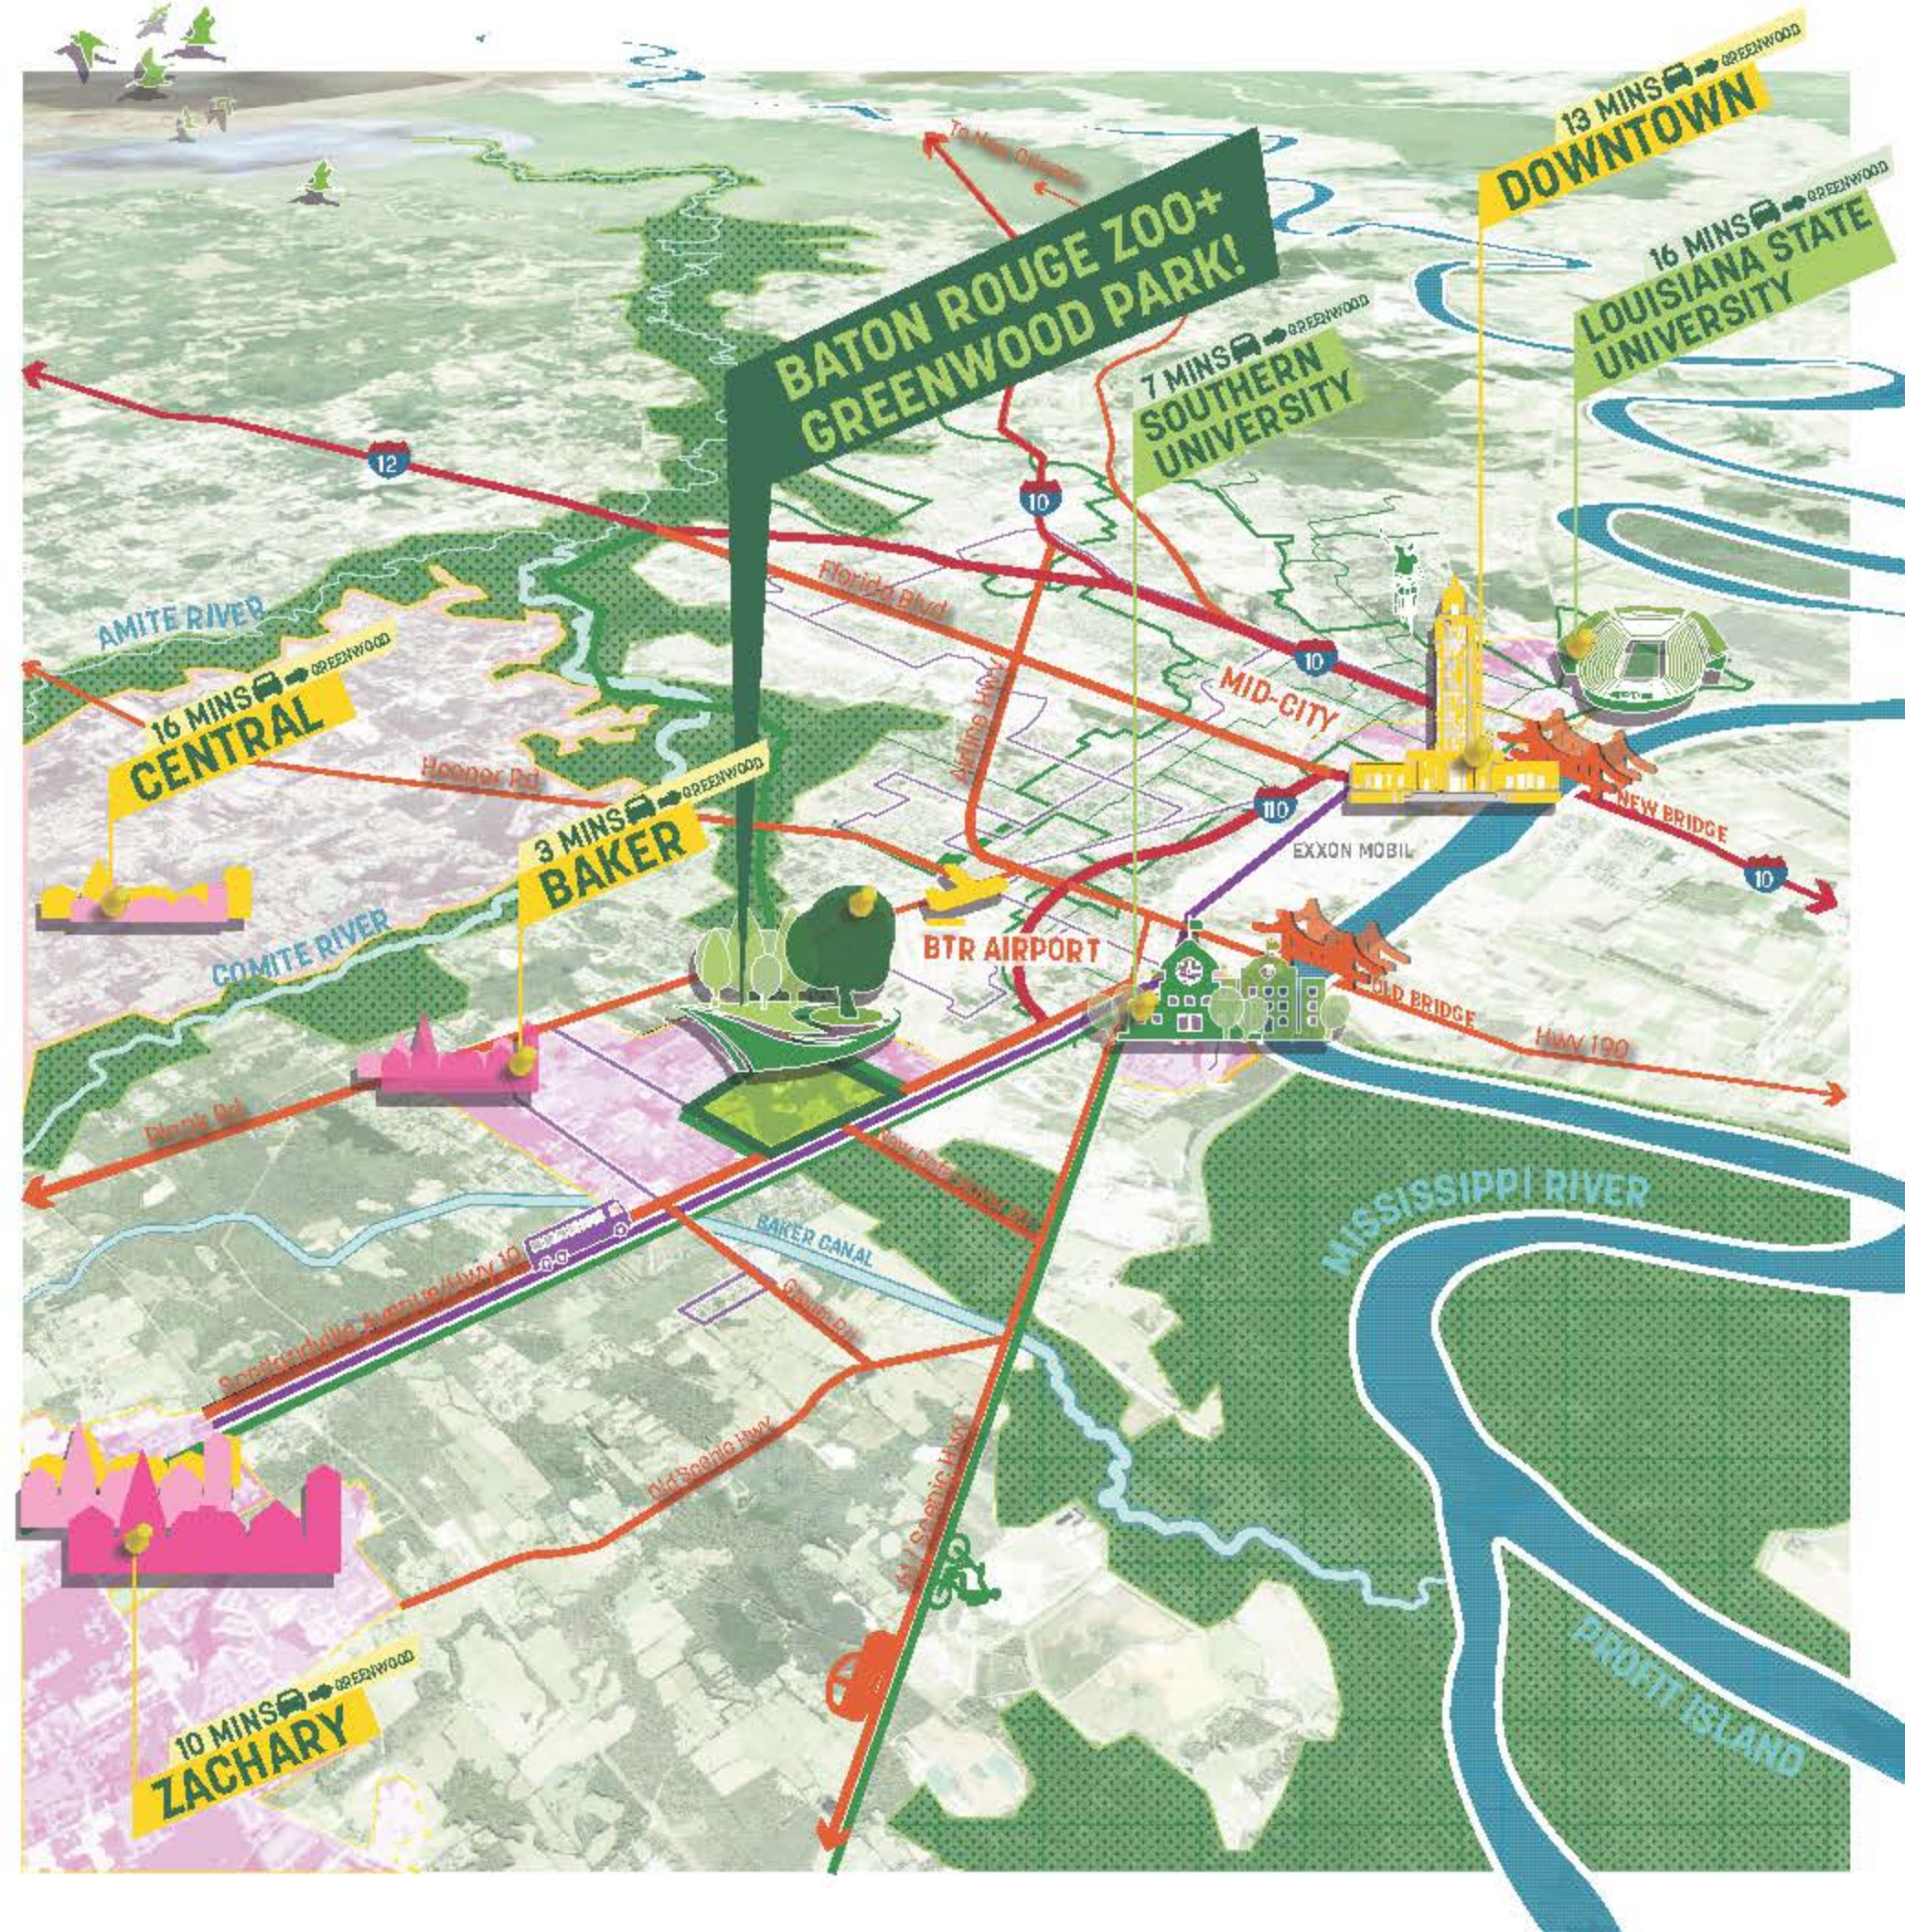

August 17, 2019

SASAKI

**TORRE DESIGN
CONSORTIUM LTD.**

A Neighborhood Park for **North Baton Rouge and Baker.** A Regional Destination for **East Baton Rouge Parish and Beyond!**

An aerial photograph showing a large, mostly undeveloped tract of land. The land is a mix of dense green forest, open grassy fields, and some scattered buildings and roads. A prominent road runs diagonally across the lower half of the image. In the upper right corner, there is a cluster of circular structures, possibly a water treatment facility or a farm. The overall scene suggests a large area with potential for development or conservation.
