4	There needs to be something for everyone in the community. Young kids will involve the parents. Older groups need something to keep them active .

6	Pride Park I'd the closest thing that Pride, Baywood, and Indian Mound has to a Community Park, but it is so limited. The building would be used if maintained. There. Is only a very small playground, two picnic tables, a ball field, and a tennis court. We need more family life type equipment for activities. Pickle ball courts. Need a facility for community use. There hasn't been one since the closure of Pride High School, and the building at the park.
7	Improve Sandy Creek park

15	We have three non-functioning Brec parks in this area, spend some of our tax dollars up here like you do in Central and Zachary. This community is in dire need of new Brec facilities. Sandy Creek is ripe for development as a world class equestrian venue ., along with kayaking and ecological tourism. Reames should have a childcare learning facility along with weekly summer camps in need of an extremely nice outdoor splash pad . It seems as if Brec officials think no one lives out here or wants nice Brec facilities, what is the issue. Zero out of the three parks here have any lighting either.

17	Several members of this community have been talking about the need for improvements in the Pride Park. We would like to have a clean, safe area to meet and utilize good equipment to stay active and communal. Thanks
19	Would love a safe place to run or walk. Trails, loop, etc.
20	Improvements to the basketball court, airnasium would be very nice. The base ball field is intact an could use new benches but I believe that the ball field hasn't been used in some time. Would make a nice driving range.
22	Splash pad! :)

27	It would be amazing to have a fenced in play area with equipment for special needs children. We have twins with Autism. They elope (run off) and have no sense of danger. Having an enclosed play space would provide us added security so that we could enjoy trips to the park frequently. Also having play equipment that helps children physically be better secured while playing would be great. Thank you for the consideration.
28	A splash pad would be great! Fun playground equipment, covered areas for parties

32	I grew up in Pride, and at one time the park was a nice place to go, with a lot of memories made for all age kids. With the right upgrades, and amenities it can be that again.
33	Please update playground equipment. What we have is so basic and nothing compared to Zachary or central. Have to drive at least 20 minutes for decent play area
38	I would just like to have a nice place for the kids to play and have fun
39	Maybe better lighting and entrance clearing!

54	Please restore the multi-purpose building. Pickleball court would be nice.
56	Splash pad
59	The park is hardly used anymore. The baseball field and play area are run down and it's very secluded
61	Needs bathrooms! Everyone just pees wherever because they are always locked or out of order.
