Reports of Officers and Standing Committees

Mr. Benson recognized Mr. Wilson for the Superintendent’s Report. The Chairman asked Mr. Wilson to address Mr. Phillip Lillard’s comments from an email received the previous day. Mr. Wilson stated that staff had provided a response to Mr. Lillard’s concerns regarding the authority to hold a public meeting via telephone or video conference and still comply with the open meetings law. He was provided a copy of the memorandum from the attorney general which offered guidance to public agencies outlining how to properly conduct a meeting electronically. Ms. Marchiafava tried to forward a new comment from Mr. Lillard to Superintendent Wilson but was unsuccessful. Additionally, in compliance with the governor’s decision to require that all playgrounds be closed, staff wrapped over a hundred playgrounds with caution tape by the deadline. BREC is still working with other agencies to distribute meals to the public at over 20 parks. BREC also continues to serve the community by encouraging citizens to get outdoors and use our parks for walking, exercising and relieving stress.
