SIDEWALK CHALK PAINT

Mix up your favorite colors and head outside to create a masterpiece in your driveway!

WHAT YOU'LL NEED:

2 CUPS Cornstarch

2 CUPS Water

Food Coloring

Small Plastic Cups or Muffin Tin (to use as a palette)

Paint Brushes

STEP 1: In a mixing bowl, combine the cornstarch and water and mix until smooth. The mixture will be a bit runny.

STEP 2: Divide the mixture into the small plastic cups or a muffin tin.

STEP 3: Mix in food coloring to create as many different colors as you'd like.

STEP 4: Using paint brushes, create a masterpiece on your sidewalk.

The paint dries quickly and will brighten as it dries. You can easily wash the paint off with a water hose or rain.
