## DIY NO SEW TOTE BAG

Did you know old tshirts can be turned into new tote bags?  
**Reuse** is an important part of reducing waste and helping the Earth!

### WHAT YOU'LL NEED:

Tshirt

Scissors

Pencil or Chalk

### INSTRUCTIONS:

- 1 Lay the tshirt flat.
- 2 Using pencil or chalk, mark where you want to cut the neckline and sleeves.
- 3 Measure how deep you want your bag and mark it. Then, add 3 more inches for the fringes and mark it.
- 4 Cut out the neckline and sleeves.
- 5 Cut the bottom of the tshirt into even sized fringes.
- 6 Flip tshirt inside out and tie the front and back fringes together.
- 7 Now tie all the front fringes to each other. Repeat for the back fringes.
- 8 Flip your new tote right side out!
