### Youth Development Guidebook

The **USA Basketball Development Model** was created to help guide players, coaches, parents and administrators through the sport. The model includes many types of initiatives, tools, resources and offerings, all of which focus on the health and well-being of young people to enhance enjoyment, participation and development in the game.

Look at this pyramid of basketball participation figures in the United States as of 2014:

Source: Experian Simmons 2014.

\*Based on 9,406 total scholarships available at this level annually. Estimating 3 scholarships are open per men's program and 4 are open per women's program each year

As part of its development model, BREC is excited to present the USA Basketball **Youth Development Guidebook** as a resource for new and/or returning players, coaches, and parents. The guidebook further explains the USA Basketball Development Model philosophy and includes the **Player Development Curriculum**, a robust and progressive teaching and playing standard for all levels of the game.

We hope you will utilize this guidebook, curriculum and the USA Basketball youth development philosophy while guiding young people. We urge you to continue your own development in the game and take advantage of all the resources and initiatives that USA Basketball has to offer.

### RATIONALE

**Distance of 3-Point Arc:** For Little Ballers and Freshman Leagues, although the 3-point arc may exist on the floor, all baskets made beyond this arc only count as two points. Therefore, the distance of the line is not applicable for these age segments. Eliminating the 3-point basket at these age segments will encourage players to shoot from within a developmentally appropriate range.

**Distance of Free Throw Line:** Freshman League should take free throws 8 feet from the basket to develop proper form and increase success.

**Height of Basket:** Utilizing a lower basket height for 6U and 8U allows children to develop proper shooting form and increases the opportunity for shooting success.

**Scoring:** All field goals for Little Ballers and Freshman are worth two points to encourage children to shoot within a developmentally appropriate range. This allows for proper mechanics and form. While these age segments may attempt a shot behind the 3-point arc, any field goal made behind the arc will only count as two points.

**Size of Ball:** A smaller basketball for the younger age segments is advised due to the size of a child's hand as well as their developing skill level. A smaller ball allows for better control and success.

## GAME STRUCTURE- cont.'

### RATIONALE

**Start of Game Possession:** For Little Ballers and Freshman leagues, a coin flip will determine the team that will start with the ball to mitigate significant differences in height and coordination among children. Alternating possession rules will then ensue throughout the game.

**Timeouts:** Managing the way timeouts are called allows for better game flow and decision-making by the player(s).

### BREC CONTEST LIMITS

**Pre-Season:** 1. A team shall be limited to one (1) pre-season scrimmage officiated by BREC Officials. Team(s) must give a two (2) weeks' notice to schedule any officials for scrimmage. All official's availability for scrimmage game are subject to change on the discretion of BREC Athletic Department. 2. All team(s) in (8-9), (10-11), (12-13), & (13-14) leagues shall be granted one (1) pre-season single and/or double elimination tournament to start the season on the discretion of BREC Athletics Department. **Season:** A team shall be granted a minimum of six (6) games and a maximum of (10) games for each league. **City Tournaments:** Only the Top 4-6 teams from each league will be granted playoff privileges on the discretion of BREC Athletics Department. **All – Star Game:** If Applicable, only **(10-11) Premier, (12-13) Premier, and (13-14)** will be granted All-Star Game privileges for youth selection privileges, on the discretion of BREC Athletics Department and gym availabilities. All All-Star Games should be played after the season has ended.

### GAME TIME

#### Game Time is Forfeit Time!

1. Grace Period – Teams that do not have 5 players at game-time, will have a 5-minute grace period for that fifth player to show up, otherwise the game will result in a forfeit. Scorekeeper will set the game clock for a 5-minute grace period rundown/countdown for that fifth player to show up; otherwise the game will result in a forfeit.
2. We suggest teams should be at the game site 30 minutes before game time.
3. Team Line-Ups. Team line-ups are due to the official scorer fifteen minutes prior to the scheduled game time. If the line-up is not in place by game time, a forfeit will result. This is the responsibility of the coach/captain of each team.

### AGE DIVISIONS

### Player-to-Player Defense –

- Each player is responsible for guarding and moving with one offensive player. This requires the defensive player to move according to the offensive player's movements with or without the ball.
- The defensive player must stay on the same side of the court as the offensive player, divided by the rim line.
- If an offensive player with the ball advances past their defensive player, another defender may rotate to guard that offensive player.
- Pressing Defense – Defensive guarding, either on or off the ball, within the backcourt.
- Double-Team/Crowding – Two or more defensive players guarding a single offensive player

### **RATIONALE**

**Double-Team/Crowding:** Crowding the ball with multiple players (referred to as “double-teaming”) is not allowed for (3-5), (6-7) or (8-9) year-olds due to skill and size discrepancies among children at these ages. Crowding is allowed for Junior (10-11) and older to remain consistent with pressing defense standards.

**Playing Time:** To ensure that all young children participating in the sport have an opportunity to experience the game, equal and fair playing time is recommended for (3-5) and (6-7) leagues. For Sophomore (8-9), all players must play at least a quarter per game. Rotation of players is at the Coaches Discretion. If all players do not play a quarter per game, the game will end in forfeit for that time. Equal and fair playing time is encouraged throughout all segments.

**Pressing Defense:** Pressing defense is prohibited for (3-5) and (6-7) leagues to help children develop principles of movement with and without the ball in a half-court setting. For Sophomore (8-9), permitting Player-to-player defense may be extended full court in the 4th period and each extra period at the 1 minute's mark, while not having to understand sophisticated zone presses. It also allows for an introduction to competitive tactics.

**Set Defense:** The player-to-player requirement for (3-5) and (6-7) leagues encourages physical activity and movement and promotes the development of individual skill related to guarding a player both on and off the ball.

**Stealing from the Dribbler:** At ages (3-5) and (6-7), players are not allowed to steal the ball from an active dribbler. This allows ball-handlers to develop dribbling skills and confidence with the basketball.

On any dead ball and/or free throw attempt in the last 2 minutes of each period and in each extra period
Varsity Recreational (13-14) & Premier (13-14) Leagues 18U House (if applicable)	10 seconds	Not applicable	Only when the offensive player is holding the ball for five seconds or dribble the ball for five seconds and controlling the ball for five seconds in an area enclosed by screening teammates.	On any dead ball and/or free throw attempt in the last 2 minutes of each period and in each extra period

### RATIONALE

**Backcourt Timeline:** Not having a timeline violation for (3-5) and (6-7) leagues allows coaches to communicate to players before they reach half court. This assists coaches in teaching children, particularly for those first learning the game. The progression to 10 seconds for Sophomore (8-9) and older age divisions, allows the game to flow while developing skills such as ball-handling, passing and decision-making.

**Clock Stoppage:** Stopping the clock following a made basket within the last two minutes of the fourth period and any extra periods for Sophomore-Varsity leagues allows for additional strategic decision-making. Fewer clock stoppages for (3-5) and (6-7) leagues allows for a better game flow.

**Shot Clock:** A 30-second shot clock may be implemented at a later date to increase game flow in the (12-13) divisions, along with the 24-second shot clock for (13-14) & 18U House, allows for more possessions for each team, better game flow and places decision-making elements in the hands of players.

**HIGHLIGHTED GAME PLAY RULES – Continued**

Playing Segment	Length of Time for Free Throws	Number of Players permitted on Free Throw Line	Substitutions	Advancement of Ball after a Timeout
(3-5) House Little Ballers (if applicable) Freshman (6-7)	Not applicable	Offense may have 3 players on the lane, including the shooter  Defense may have 4 players on the lane	Either team may substitute after dead ball or timeout	Not applicable
Sophomore (8-9)	10 seconds	Offense may have 3 players on the lane, including the shooter  Defense may have 4 players on the lane	Either team may substitute after dead ball or timeout <b>In the Sophomore league, NO player can play more than 22 minutes per 4 quarters and/or 11 minutes per halves. This rule doesn't apply for extra periods.</b>	In the last 2 minutes of the 4th period and each extra period following a timeout, the ball will be inbounded from the offensive team's frontcourt opposite the scorer's table
Junior (10-11) Recreational & (10-11) Premier Leagues	10 seconds	Offense may have 3 players on the lane, including the shooter  Defense may have 4 players on the lane	Either team may substitute after dead ball or timeout	In the last 2 minutes of the 4th period and each extra period following a timeout, the ball will be inbounded from the offensive team's frontcourt opposite the scorer's table
Senior Recreational (12-13) & Premier (12-13) Leagues	10 seconds	Offense may have 3 players on the lane, including the shooter  Defense may have 4 players on the lane	Either team may substitute after dead ball or timeout	In the last 2 minutes of the 4th period and each extra period following a timeout, the ball will be inbounded from the offensive team's frontcourt opposite the scorer's table
Varsity Recreational (13-14) & Premier (13-14) Leagues <b>18U House (if applicable)</b>	10 seconds	Offense may have 3 players on the lane, including the shooter  Defense may have 4 players on the lane	Either team may substitute after dead ball or timeout	In the last 2 minutes of the 4th period and each extra period following a timeout, the ball will be inbounded from the offensive team's frontcourt opposite the scorer's table

## **RATIONALE**

**Advancement of the Ball after a Timeout:** For (3-5) and (6-7) leagues, the focus is on development over strategy. Therefore, there is no pressing defense at this level, and the ball will not automatically advance after a timeout. Furthermore, the ball will advance after a timeout in the last two minutes of the 4<sup>th</sup> period and any extra period for Sophomore-18U House because the focus can be on development or strategy for players and/or coaches.

## **GOVERNING RULES**

***Games shall be played under the official Louisiana High School Athletic Association/USA Basketball Rules and/or specific changes for local situations as follows.***

### **PLAYER/TEAM ELIGIBILITY**

- A. The number of players to be signed and carried by each team shall not exceed 15 players, nor be less than 10. (Permission to add players may be requested)
- B. Each player must be on their roster in order to be eligible for play.
- C. Registration fee for the league is **\$200.00 per team** and must be turned in to BREC's Athletic Department with the complete team packet by the deadline date established each season. Schedules will be listed on [www.webtrac.brec.org](http://www.webtrac.brec.org) under Leagues Search and your Age division.
- D. Coaches must turn in a completed player contract for each player on their roster. A recent photograph copy of the original birth certificate and a recent photo of the player must accompany this contract, **double sided on one sheet of paper**.
  - 1. In case of an age eligibility question the coach must be able to present an original birth certificate within 72 hours. If the original is not presented the player will automatically be suspended until the birth certificate is produced.
- E. Players will not be permitted to sign with a team after the deadline date (**After the second scheduled playing date**) established yearly.

All Non-athletes/coaches are responsible to see that their team meets all eligibility requirements. If a player is found to be ineligible prior to the start of a sanctioned competition, the player will be expelled from the competition and the team will continue. If a player is found to be ineligible after the competition has started, the player will be expelled from the competition and the team will forfeit all games in which the ineligible player was listed on the official score sheet. The team may continue to participate, if applicable, without the expelled player.

F. Players will be allowed to play in more than one (1) BREC league within the Youth Basketball program, but **players may not play on more than one team per league per season**. *Example: BR Heat organization has two organizational teams in (12-13) (Recreational & Premier). The Heat wants Peter to play in the Premier and Recreational divisions for more training, in the same (12-13) division. BREC Athletics Department will not grant this to the organizations due to competition of play. No Premier player can play in a Recreational division of the same age within a given season, if listed on a premier roster during the season.*

G. All games in which an ineligible player has played will be forfeited.

H. Additions to the roster must be in by **Tuesday before 12:00 noon to play the next Saturday**. No additions except for hardship will be taken after the second Saturday of the season.

I. Players of younger division age may play/participate in older divisions, but an older division age player may not play in the younger divisions.

J. Player Post-Season Eligibility: Any player on your roster must play in at least **3 regular season games** of their scheduled league games for the regular season. If not, he or she will be deemed ineligible for any post-season games.

K. If a team has an out of state tournament scheduled on Saturday and/or Sunday conflicts with BREC scheduled basketball game(s), it shall be permitted, by mutual agreement of the opposing coach/manager/organization, to reschedule the basketball game(s) on a weekday during the same week provided it is not a league tournament game. If it is a league tournament game, it shall require approval of both BREC Athletics and the opposing coach/manager/organization to reschedule the game on an earlier date. In either case, the opposing coach/manager/organization shall be allowed to honor this playing date change without penalty.

**In the Little Baller (3-5), players will play half court 3 on 3 throughout the game and any team will only need 3 players per contest to play games. BREC recommends having at least 6 players per team for this age group.**

**In the 18U House, if a player is 18, he/she cannot have graduated from high school.**

**In the Sophomore (8-9), NO player can play more than 22 minutes per 4 quarters and/or 11 minutes per halves, If applicable. This rule doesn't apply for extra periods.**

### **General Basketball Rules**

**Personal Fouls: A foul is called when a player makes illegal contact with an opponent that results in an advantage. When a foul is called, live play immediately stops. Which team receives the basketball will depend on many factors that I'll cover over the next few paragraphs. Here are the 6 most common personal foul types:**

**Reaching In:** Occurs when a defender reaches in to steal the basketball and makes illegal contact with their opponent. The contact made is usually the defender slapping the dribbler's arm or wrist.

**Holding:** A holding foul is called when a player uses their hands or arms to limit or prevent an opponent's movement around the court.

**Blocking:** A blocking foul is called when a player uses their body to limit or prevent an opponent's movement on the court without establishing position.

**Charging:** A charging foul is called when a defensive player has established position and an offensive player runs into them. • This can happen with or without the basketball.

**Pushing:** A pushing foul is called when a player extends their arms forcefully to move an opponent on the court.

**Illegal Screen:** An illegal screen is called when an offensive player who is setting a screen on a defender has not established position when the opposition contacts them.

### **Penalties for Fouling:**

- **If a foul is whistled while an opponent is in the motion of shooting the basketball, the offensive player will receive free-throws.**
  - 2 Free-Throws = If a player is fouled while attempting a field goal within the three-point line (layup, post move, midrange shot, etc.)
  - 3 Free-Throws = If a player is fouled while attempting a field goal beyond the three-point line. **(ALL AGE DIVISIONS)**

*If a shot attempted while being fouled is successful, the points for that shot count and they will be rewarded with only 1 additional free-throw regardless of where on the floor the contact was made.*

*On all non-shooting personal fouls, the team who was fouled receives the basketball at the closest point out-of-bounds from where the foul was made.*

*If a team commits more than the legal number of fouls in a half the player who was fouled will receive one and one free-throws for each additional foul. If a team commits more than an additional 10 fouls the other team will receive two free throws per foul committed.*

*A player is 'fouled out' and must spend the rest of the game on the bench after they have accumulated 5 fouls throughout the duration of a game.*

**Game Violations:** When a violation occurs, play is immediately stopped and the team who committed the violation loses possession of the basketball. The basketball is then passed in from outside the court by the opposition at the closest point to where the violation occurred.

**Out-of-Bounds Violation:** *The basketball is ruled out-of-bounds when it touches either a player, the floor, or an object that is out of bounds. The possession of the basketball goes to the opposing team of the player who was the last to touch the basketball. If the basketball lands on the line, that is still considered out of bounds.*

**Traveling Violation:** *Traveling is difficult to describe in writing but is in place to prevent players from taking more than one step while holding the basketball. This rule also prevents players from moving or changing their pivot foot once it's been established.*

### **Special Fouls**

**Technical Foul:** *A technical foul is called when a coach or player brings the game of basketball into disrepute and is not made in relation to contact.*

- ***This could be actions like yelling at a referee, flopping, kicking a basketball, using inappropriate language, holding onto the rim after a dunk, etc.***
- ***When a player or coach has received two technical fouls, they will be ejected from the game and required to leave the playing area.***
  - **Penalty: 2 free-throws for any opposition player on the court and then possession.**

**Flagrant Foul:** *A flagrant foul may be a personal or technical foul of a violent or savage nature, or a technical noncontact foul which displays unacceptable conduct. It may or may not be intentional.*

- **This could include actions like hitting, kicking, or pushing another player.**
- **Penalty: 2 free-throws for any opposition player and then possession.**

**Unsportsmanlike Foul:** An unsporting foul is a noncontact technical foul which consists of unfair, unethical, dishonorable conduct or any behavior not in accordance with the spirit of fair play

- **Penalty: 2 free-throws for any opposition player and then possession.**

**Intentional Foul:** An intentional foul is a personal foul that may or may not be premeditated and is not based solely on the severity of the act.

- **Penalty: 2 free-throws for the fouled player and then possession near the spot of the foul.**

#### **Time Violations:**

**3-Seconds in the Key Violation:** The 'three seconds in the key' rule is used to prevent offensive players from standing in the key for long periods of time.

1. Instead, players must continually move around the court keeping the key open for dribble penetration. Once a shot has been attempted, a 3-second violation cannot be called.
2. The defensive team can also be called for a 3-second violation in some leagues.
  - **Penalty: A violation is called, and the basketball is given to the opposition.**

**Double Dribble Violation:** A double dribble can occur in two situations:

1. A player dribbles the basketball, picks up their dribble, and then dribbles the basketball again.
2. When a player touches the basketball with both hands while dribbling.

**Jump Ball Violation:** When two opponents grab the basketball at the same time and it cannot be gained by a single player quickly, a held ball violation will be called.

1. The basketball is given to each team on a rotating basis depending on the possession arrow which will be discussed later in the article.

#### **Goaltending Violation**

1. Goaltending violation is called if an offensive or defensive player contacts the basketball while it's in the downward flight after a shot or if a player touches the basketball when it's in the vertical cylinder above the hoop.
2. *If the offensive player receives a goaltending violation, the basket is called off and their opponent receives possession of the basketball.*
3. *If the defensive player receives a goaltending violation, the basketball is counted, and the defense will then receive the basketball like a normally made shot.*

#### **Back-Court Violation**

1. Once the basketball has been fully established in the offense's front court, they are not allowed to cross back over the half-court line into the backcourt.
2. If they do, the penalty is a turnover.
3. The only exception to this is if a defensive player was to tap the basketball over the half court line. Then the offense can sprint back and retrieve it.

**5-Second Inbounds:** Once a player passing in from out of bounds receives the basketball from the referee, they then have 5 seconds to pass the basketball in to one of their teammates.

- **Penalty: A violation is called, and the basketball is given to the opposition.**

**5-Second Closely Guarded Violation:** This violation is rarely called, but it's important to know.

An offensive player in the frontcourt with possession of the basketball can be called for a 5-second violation if they're being guarded within 6 feet and fail to pass, shoot, or dribble within 5 seconds.

- **Penalty: A violation is called, and the basketball is given to the opposition.**

**10-Seconds Back Court Violation:** After gaining possession of the basketball in the backcourt, the offensive team is required to advance the basketball over the half-court line within 10 seconds. The count is continued if the opposition deflects the basketball but stopped if the opposition takes possession of the basketball.

- **Penalty: A violation is called, and the basketball is given to the opposition.**

- 

**Free-Throws:** A player is rewarded with a free-throw opportunity after being fouled while shooting the basketball, after the opponent has exceeded their foul limit, or after the opponent commits a technical or flagrant/unsportsmanlike foul. This results in one, two, or three uncontested shots from the free-throw line all worth one point each.

#### **Lane Violation – Shooter**

- The player shooting a free-throw is not allowed to jump or step over the free-throw line until the basketball has touched the rim. Doing so will result in a violation and the basketball awarded to the opposition team on the sideline.

#### **Lane Violation – Non-Shooters**

**The other 9 players on the court during free-throws must also follow specific rules...**

**The three players behind the three-point line are not allowed to cross over the three-point line until the basketball has touched the rim.**

**The six players lined up on the edges of the key can step into the key as soon as the basketball has left the shooters hands.**

- *If the defensive team breaks any of these rules, the player shooting free-throws receives one extra shot if their current shot is missed. If the free-throw shooter makes the shot on a defensive lane violation, the shot counts and play continue.*
- *If one of the offensive players breaks one of these rules, the free-throw does not count, and the opposition receives the basketball out-of-bounds.*

**Possession Arrow:** The possession arrow is used after every held ball or when the referees are unsure on an out-of-bounds call. The initial direction of the arrow is determined by the jump ball that commences the game. The team who does not secure first possession of the basketball will receive the basketball at the next jump ball. The possession arrow then alternates between the two teams for the remainder of the game.

#### **MERCY RULE**

Mercy Rule: If a team's lead reaches twenty (20) points or more, the scoreboard will reset to 0-0 (**scorekeeper will keep track of score**), and the clock will continue to run continuously. This should also apply during the last two (2) minutes of the 4<sup>th</sup> period. **If the lead drops below twenty (20) points the clock will resume normal operation.**

## **BREC/EBR SCHOOL RULE**

Players in BREC program can play or have played for any Middle and/or High school team during the current school year, but a Coach must inform BREC Athletics of the player and/or players. The players will be eligible after they have completed competition in their school leagues. If a coach doesn't notify BREC Athletics of the player or player(s) that are playing in school leagues, BREC Athletics has the right to disqualify the player from BREC league play for the year and all games played with the player(s) will be forfeited by the team.

Middle/High School team = *A team where the school provides supervision, uniforms, practice time, or any necessary support.*

1. Middle/High School Basketball players are not eligible to play once their name has appeared on the school's roster until after their season is completed. A definition of a school team (public, private, parish, or parochial) is one that competes against other schools during any given playing season and the school furnishes facilities, equipment, uniforms, coaches, or any other financial assistance.

## **TECHNICAL FOULS**

A. A player/manager that has a technical foul called against him/her will be warned the first time and ejected from the game on the second technical foul. After the third technical foul, the game will be forfeited to the opponents regardless of the score or time left in the game. (This pertains to technical fouls called for unsportsmanlike conduct on part of player/manager.)

B. All league teams must have at least one approved BREC Volunteer coach who must be present at all games. If a coach is not present or if a suitable approved BREC Volunteer Coach replacement is not present within your organization, then the team will forfeit the game. No player coaches will be allowed. The players can scrimmage the opposing team without officials, if forfeit has occurred during your time slot due to this matter.

## **LEAGUE AWARDS**

The league champion and runner-up in each division will receive individual medals for each player. League champion team trophy will also be presented to the division winners.

In the event of a tie in the standings between two or more teams, head-to-head will break a tie and/or a coin flip, if not applicable. BREC Athletics will decide seeding for teams in playoffs. It will be on BREC Athletics Department discretion, if any team and/or team(s) are granted a play-in game for tied teams, within any division and/or league.

## **OFFICIALS**

All officials will be furnished and approved by BREC.

Game officials shall have the respect and support of the coach. The coach shall not indulge in conduct which will incite the players or spectators against the officials. Public criticism of the officials or players is unethical

The coach should respect his opponents, display gracious behavior during competition and require his players to conduct themselves in similar fashion. Before and after the contest, rival coaches should meet and exchange friendly greetings to set the correct tone for the event.

Coaches shall actively use their influence to enhance sportsmanship by spectator.

## PLAYER BEHAVIOR

Any coach, or player verbally or physically abusing a game official, opposing player, or any other individual, will be ejected from the game and must leave the facility immediately. Any player refusing to leave will cause his team to forfeit the game. In the case of physical abuse or extreme unsportsmanlike conduct, additional disciplinary action can/will be taken by BREC's Athletic Department including but not limited additional suspensions and/or removal from the league. **COACHES WILL BE HELD RESPONSIBLE FOR THE ACTIONS OF THEIR TEAM MEMBERS AND FANS.**

## SUSPENSIONS

A player who is ejected from a game will be required to leave sight and sound of the facility within 2 minutes. If a player fails to leave after an ejection, the game will be forfeited by the umpire. If any player is ejected from the game, he/she shall be automatically suspended for a minimum of one game, additional punishment could be handed down pending review by BREC staff. If the player is ejected a second time, he/she will be suspended for the remainder of the season, or if circumstances so warrant, be suspended from participation in any program and/or facility of BREC indefinitely, pending review by staff

## EJECTIONS

All ejections carry a mandatory suspension of the next scheduled game. If a player is ejected twice (2) within one playing season, they are not allowed to participate within the playoffs or league for the next year until player's parent/guardian and coaches have contacted Athletics Department for a hearing on the matter.

- Maximum limits:
  - Teams which play one game per week .....2 forfeits within the playing season
  - Teams which play two games per week .....3 forfeits within the playing season

## REFUND POLICY

No refunds and/or household credit will be given unless a league has not played 50% of league games before the league is cancelled. **All refunds and/or household credits will be determined by the Athletics Department discretion.** If rule violations result in a team being removed from the league, the following refund formula will be used.

- Teams expelled between the date of registration and the beginning of their leagues first game **will forfeit 100%** of their registration fee.
- Teams expelled after the start of their first game **will forfeit 100% of fee.**

## RAIN MAKE UPS

In most cases, teams will receive at least one week notice of schedule changes.

In emergencies, teams may be asked to play with less notice.

Managers will receive a rain make-up schedule through [www.webtrac.brec.org](http://www.webtrac.brec.org) under Leagues, upon games being rescheduled.

## ROSTER CHECKS

BREC staff reserves the right to randomly check team rosters for player validity. The manager is responsible for keeping up-to-date team roster records. This practice can eliminate any question as to whether a team member is eligible to play. Players must present BREC staff with a form of photo identification upon request. Any player or team information which is not correct on a team's roster, and/or the use of illegal or ineligible players will result in league discipline.

## PLAY-OFFS

## Injury, Bleeding or Open Wound:

A player/substitute, manager, coach, trainer, or other team member or sports official who is bleeding or who has an open wound shall be prohibited from participating further in the game until the bleeding is stopped and the wound covered.

1. If treatment can be administered in a reasonable amount of time the individual would not have to leave the game. The length of time that is considered reasonable is umpire judgment.
2. If excessive time is involved, the re-entry rule would apply to players.
3. If there is an excessive amount of blood on the uniform/bandage must be changed before the individual may participate.

### **Concussion Protocol:**

Any player that exhibits signs, symptoms or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the game and shall not be returned to play.

### **Communicable Disease Procedures:**

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing potential or transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all blood contaminated surfaces and equipment with a solution made from proper dilution of household bleach (CDC recommends 1-100) or other disinfectants before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles contain body fluids.

The referee shall not permit any team member to participate if in his/her judgement any item constitutes a safety concern, such as, but not limited to, a player's fingernails or hairstyles.

***BREC reserves the right to re-evaluate the rules and place improvements in place for any current rules and/or violations. BREC reserves the right rule on any items not covered in the document and to expand the rule basis. Rules that are not covered in the BREC rules and operating code, will automatically defer to LHSAA Basketball and/or USA Basketball rules and procedures.***
