Designer's Opinion of Probable Cost

Base Bid \$1,675,000

Construction of a new two-lane roadway with lime-treated subgrade, base course, asphalt pavement, drainage systems, sidewalks, curb ramps, traffic control features, and associated earthwork, grading, and removals required to establish the roadway alignment. The project also includes erosion control measures, utility adjustments, site resoration with hydroseeding, signage and striping, and all incidental work necessary for a complete and functional park entrance roadway as shown in the plans and other Work indicated in the Contract Documents.

Maximum BREC Budget \$1,950,000

This is the maximum budget for the base bid and/or any possible combination of alternates.
