7. **Non-Disclosure of Trade Secrets, Customer Lists, and Other Proprietary Information.** Contractor agrees not to disclose or communicate, in any manner, either during or after Contractor's Agreement with BREC, proprietary information about BREC, its operations, clientele, or any other proprietary information, that relate to the business of BREC including, but not limited to, the names of its customers, its marketing strategies, operations, or any other information of any kind which would be deemed confidential, a trade secret, a customer list, or other form of proprietary information of BREC. Contractor acknowledges that the above information is material and confidential and that it affects the profitability of BREC. Contractor understands that any breach of this provision, or that of any other Confidentiality and Non-Disclosure Agreement, is a material breach of this Agreement.
8. **Interaction with Employees, Customers, and Others.** Contractor is required to comply with all laws, ethical codes and company policies, procedures, rules or regulations, including those forbidding harassment, discrimination, and unfair business practices.
9. **Indemnification.** Contractor shall indemnify, defend and hold BREC harmless from claims, demands, and causes of actions asserted against BREC by any person for personal injury, death or loss of or damage to property resulting from Contractor's negligence, gross negligence, intentional or willful misconduct. Where personal injury, death, or loss of, or damage to property, is the result of the concurrence of negligence, gross negligence, intentional and / or willful misconduct of BREC and Contractor, Contractor's duty of indemnification shall be in proportion to its allocable share of fault. The parties hereto intend and agree that this indemnity shall be applied as a comparative fault indemnity, each party being responsible for its own negligence or other act or omission.
10. **Injunctive Relief.** Both parties acknowledge that the provisions of this Agreement are reasonable and necessary for the protection of their respective businesses and that their respective business will be irrevocably and substantially harmed and damaged if such provisions are not specifically enforced, and money damages will not afford a party an adequate remedy for any breaches of this Agreement. In the event of a breach or threatened breach by either party of the provisions of this Agreement, the Parties hereby acknowledge and agree that the non-breaching party shall be entitled to (i) specific performance and (ii) injunctive and other equitable relief (without bond or other security being required) to prevent or restrain a breach of this Agreement. Nothing herein shall be construed as prohibiting or otherwise restricting a party from pursuing any other rights or remedies it may have at law or in equity in the event of a breach of this Agreement by the non-breaching party.
11. **Insurance Requirements for Contractors.** The Contractor shall purchase and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, employees

or subcontractors. **Workers Compensation** insurance shall be in compliance with the Workers Compensation Law of the State of the Contractor's headquarters. Employers Liability is included with a minimum limit of \$500,000 per accident/per disease/per employee. **Commercial General Liability** Insurance, including personal and advertising injury liability, shall have a minimum limit per occurrence of \$1,000,000 and a minimum general aggregate of \$2,000,000. Claims-made form is unacceptable. **Automobile Liability** insurance shall have a minimum combined single limit per occurrence of \$1,000,000. This insurance shall include third-party bodily injury and property damage liability for owned, hired and non-owned automobiles. Any deductibles or self-insured retentions must be declared to and accepted by the Agency. The Contractor shall be responsible for all deductibles and self-insured retentions. BREC shall be named as an additional insured as regards to negligence by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to BREC. Coverage shall not be canceled, suspended, or voided by either party (the Contractor or the Insurer) or reduced in coverage or in limits except after 30 days written notice has been given to BREC. Neither the acceptance of the completed work, nor the payment thereof, shall release the Contractor from the obligations of the insurance requirements or indemnification agreement. Contractor agrees to supply BREC with certificates of insurance, upon request, reflecting proof of required coverage. The certificates for each insurance policy are to be signed by a person authorized by the insurer to bind coverage on its behalf. Contract shall include all subcontractors as insureds under its policies or shall be responsible for verifying and maintaining the certificates provided by each subcontractor. Subcontractors shall be subject to all of the requirements stated herein. BREC reserves the right to request copies of subcontractor's certificates at any time.

12. **Licenses.** Contractor is responsible for obtaining and maintaining during the life of this Agreement any necessary licenses and permits, in accordance with the laws of the State of Louisiana, to perform the services outlined in Section 2 (Scope of Work) of this Agreement. By signing this Agreement, Contractor agrees he has any such licenses and/or permits, and that he will maintain same. BREC reserves the right to request copies of Contractor's license/permit at any time. If requested by BREC, Contractor must submit same within three (3) days of request.
13. **Savings Clause.** The parties agree that this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction in which enforcement is sought. To the extent that any provision herein shall be adjudicated to be overly broad, invalid, illegal, or unenforceable, such provision shall be amended to reduce, delete there from or reform the portion thus adjudicated to be overly broad, invalid, illegal or unenforceable, in order to be enforceable to the extent allowable under applicable law. Such deletion or reformation is to apply only with respect to the particular jurisdiction in which such adjudication is made.

Each provision of this Agreement is intended to be severable. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable, the same shall not affect the validity or enforceability of any other provision of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained therein; provided, however, that no provision shall be severed if it is clearly apparent under the circumstances that the parties hereto would not have entered into the Agreement without such provision.
14. **Legal Fees.** If either party to this Agreement institutes legal proceedings to enforce the terms of the Agreement, the party substantially prevailing in such proceedings shall be entitled to recover its legal fees and costs incurred in doing so from the other party.
15. **Choice of Law.** This Agreement shall be governed by the laws of the State of Louisiana.

16. **Entire Agreement.** This Agreement and the attachments hereto constitute the entire Agreement and understanding between the parties. This Agreement replaces in full all prior agreements and understandings of the parties hereto and any and all such prior agreements and understandings are hereby rescinded by mutual agreement of the parties. This Agreement may be modified, varied, or amended only by a written instrument signed by Contractor and a duly authorized officer of BREC.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

ACH Vendor Payment Authorization Frequently Asked Questions

FAQ's

Here are some frequently asked questions and answers:

Q. What is ACH Vendor Payment?

A. ACH Vendor Payment is a system that deposits payment for goods and/or services that you have sold to the Recreation and Park Commission for the Parish of East Baton Rouge (BREC) directly into your account at any financial institution that is a member of the Automated Clearing House Network.

Q. Who is eligible for ACH Vendor Payment?

A. All vendors that provide goods and/or services to BREC who are now being paid by check through BREC's Accounts Payable Department.

Q. What steps should I take to assure that my payment is deposited to my account?

A. Verify with your financial institution that the routing number used for wires into your account is the same as indicated on your check. If it is not the same, please obtain and provide the correct routing number from your financial institution.

Q. When will my payment be deposited in my account?

A. Your payment will be deposited into your account based on the settlement date referenced on your direct deposit advice e-mail.

Q. Is my payment safe?

A. Billions of ACH transactions are transmitted successfully across the country. This could not be done without numerous checks and balances built into the system. NACHA manages the development, administration, and governance of the ACH Network. You may learn more at www.nacha.org.

Q. What do I do if for some reason my payment is not deposited into my account?

A. One of the advantages of the ACH Network is that all transactions are traceable. Simply contact the Accounts Payable Supervisor at (225) 272-9200, and ask that your payment be traced, starting with the originating financial institution.

Q. After I apply for ACH Vendor Payment, how soon can I expect to participate?

A. The target implementation date for changing over to ACH Vendor Payment is December 31, 2015. Beyond this date, most payments made by BREC to its vendors will be made via ACH transaction. However, as BREC transitions from the old "paper" method of paying vendors to ACH Vendor Payment, some vendors may begin to receive their payments via ACH transaction before December 31, 2015. In all cases, before a vendor receives their first payment via ACH transaction, they will receive an e-mail notifying them of the upcoming deposit.

Q. What happens if I change financial institutions and/or accounts?

A. In the event that you change financial institutions, or account numbers within the same financial institution, simply provide a new ACH Vendor Payment Authorization Agreement and a voided check, and mark the "Revision" box at the top. Until your account change has been completed, you may receive your payment by mail. It is the vendor's responsibility to advise BREC of any changes and to do so in a timely manner. BREC requires fifteen (15) working days to process changes.

Q. What if I want my payment to be forwarded to a financial institution outside the United States?

A. If you receive payments via direct deposit which are forwarded from a U.S. financial institution to a financial institution outside the U.S., please indicate YES in the ACH Vendor Authorization Agreement form and contact the Accounts Payable Supervisor at (225) 272-9200.

Q. BREC will transmit payment information AND invoice information (in the form of "addenda information") to the vendor's banks. What happens if my bank statement does not break down the invoices paid by BREC?

A. Tell your bank that you will be receiving payment via ACH and that BREC will be including addend information with our payment in the CCD Plus format.

Q. What do I need to do?

A. Just follow these simple steps:

- Complete the ACH Vendor Payment Authorization Agreement.
- Attach a voided check which clearly shows:
 - the bank account holder's name
 - account number
 - financial institution's name
 - routing number
- Send the signed agreement and voided check to: Vendors@BREC.org

If you have any questions about ACH Vendor Payment please contact the Accounts Payable Supervisor at (225) 272-9200
