3. Performance of the Work. Contractor shall be responsible to the management and directors of BREC. Contractor shall supply all of his own necessary equipment, materials and supplies. BREC retains the right to inspect, stop, or alter the work of Contractor to assure its conformity with this Agreement.
4. **Term.** This Agreement shall be effective from __________ through __________. However, this Agreement may be terminated immediately by either party giving written notice to the other in the event of abandonment, fraud, insolvency, gross and/or willful misconduct, or breach of this Agreement on the part of such other party. Unless renewed by BREC, this Agreement, regardless of start date, shall terminate December 31 of the same year contract was executed, unless specified by BREC.

5. **Renewal Terms.** If mutually agreed upon by both parties, this contract may be renewed for two (2) additional twelve (12) month periods at the same prices, terms, and conditions. BREC will seek renewal from the successful contractor within sixty (60) days of expiration of initial contract term, and thereafter, within sixty (60) days of the expiration of subsequent renewal contract terms.

6. **Compensation:** $________ per __________. Unless otherwise contracted, payment is to be made within 30 days after receipt of properly executed invoice.

7. **Non-Disclosure of Trade Secrets, Customer Lists, and Other Proprietary Information.** Contractor agrees not to disclose or communicate, in any manner, either during or after Contractor’s Agreement with BREC, proprietary information about BREC, its operations, clientele, or any other proprietary information, that relate to the business of BREC including, but not limited to, the names of its customers, its marketing strategies, operations, or any other information of any kind which would be deemed confidential, a trade secret, a customer list, or other form of proprietary information of BREC. Contractor acknowledges that the above information is material and confidential and that it affects the profitability of BREC. Contractor understands that any breach of this provision, or that of any other Confidentiality and Non-Disclosure Agreement, is a material breach of this Agreement.

8. **Interaction with Employees, Customers, and Others.** Contractor is required to comply with all laws, ethical codes and company policies, procedures, rules or regulations, including those forbidding harassment, discrimination, and unfair business practices.

9. **Indemnification.** Contractor shall indemnify, defend and hold BREC harmless from claims, demands, and causes of actions asserted against BREC by any person for personal injury, death or loss of or damage to property resulting from Contractor’s negligence, gross negligence, intentional or willful misconduct. Where personal injury, death, or loss of, or damage to property, is the result of the concurrence of negligence, gross negligence, intentional and/or willful misconduct of BREC and Contractor, Contractor’s duty of indemnification shall be in proportion to its allocable share of fault. The parties hereto intend and agree that this indemnity shall be applied as a comparative fault indemnity, each party being responsible for its own negligence or other act or omission.

10. **Injunctive Relief.** Both parties acknowledge that the provisions of this Agreement are reasonable and necessary for the protection of their respective businesses and that their respective business will be irrevocably and substantially harmed and damaged if such provisions are not specifically enforced, and money damages will not afford a party an adequate remedy for any breaches of this Agreement. In the event of a breach or threatened breach by either party of the provisions of this Agreement, the Parties hereby acknowledge and agree that the non-breaching party shall be entitled to (i) specific performance and (ii) injunctive and other equitable relief (without bond or other security being required) to prevent or restrain a breach of this Agreement. Nothing herein shall be construed as prohibiting or otherwise restricting a party from pursuing any other rights or remedies it may have at law or in equity in the event of a breach of this Agreement by the non-breaching party.
11. **Insurance Requirements for Contractors.** The Contractor shall purchase and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, employees or subcontractors. **Workers Compensation insurance** shall be in compliance with the Workers Compensation Law of the State of the Contractor's headquarters. Employers Liability is included with a minimum limit of $500,000 per accident/per disease/per employee. **Commercial General Liability Insurance**, including personal and advertising injury liability, shall have a minimum limit per occurrence of $1,000,000 and a minimum general aggregate of $2,000,000. Claims-made form is unacceptable. **Automobile Liability insurance** shall have a minimum combined single limit per occurrence of $1,000,000. This insurance shall include third-party bodily injury and property damage liability for owned, hired and non-owned automobiles. Any deductibles or self-insured retentions must be declared to and accepted by the Agency. The Contractor shall be responsible for all deductibles and self-insured retentions. BREC shall be named as an additional insured as regards to negligence by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to BREC. Coverage shall not be canceled, suspended, or voided by either party (the Contractor or the Insurer) or reduced in coverage or in limits except after 30 days written notice has been given to BREC. Neither the acceptance of the completed work, nor the payment thereof, shall release the Contractor from the obligations of the insurance requirements or indemnification agreement. Contractor agrees to supply BREC with certificates of insurance, upon request, reflecting proof of required coverage. The certificates for each insurance policy are to be signed by a person authorized by the insurer to bind coverage on its behalf. Contract shall include all subcontractors as insureds under its policies or shall be responsible for verifying and maintaining the certificates provided by each subcontractor. Subcontractors shall be subject to all of the requirements stated herein. BREC reserves the right to request copies of subcontractor’s certificates at any time.

12. **Licenses.** Contractor is responsible for obtaining and maintaining during the life of this Agreement any necessary licenses and permits, in accordance with the laws of the State of Louisiana, to perform the services outlined in Section 2 (Scope of Work) of this Agreement. By signing this Agreement, Contractor agrees he has any such licenses and/or permits, and that he will maintain same. BREC reserves the right to request copies of Contractor’s license/permit at any time. If requested by BREC, Contractor must submit same within three (3) days of request.

13. **Savings Clause.** The parties agree that this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction in which enforcement is sought. To the extent that any provision herein shall be adjudicated to be overly broad, invalid, illegal, or unenforceable, such provision shall be amended to reduce, delete there from or reform the portion thus adjudicated to be overly broad, invalid, illegal or unenforceable, in order to be enforceable to the extent allowable under applicable law. Such deletion or reformation is to apply only with respect to the particular jurisdiction in which such adjudication is made.

Each provision of this Agreement is intended to be severable. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable, the same shall not affect the validity or enforceability of any other provision of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained therein; provided, however, that no provision shall be severed if it is clearly apparent under the circumstances that the parties hereto would not have entered into the Agreement without such provision.

14. **Legal Fees.** If either party to this Agreement institutes legal proceedings to enforce the terms of the Agreement, the party substantially prevailing in such proceedings shall be entitled to recover its legal fees and costs incurred in doing so from the other party.
15. **Choice of Law.** This Agreement shall be governed by the laws of the State of Louisiana.

16. **Entire Agreement.** This Agreement and the attachments hereto constitute the entire Agreement and understanding between the parties. This Agreement replaces in full all prior agreements and understandings of the parties hereto and any and all such prior agreements and understandings are hereby rescinded by mutual agreement of the parties. This Agreement may be modified, varied, or amended only by a written instrument signed by Contractor and a duly authorized officer of BREC.

17. BREC, its officers, employees and agents, shall not be responsible for the negligent acts and omissions of the Contractor or the Contractor's officers, employees, agents or subcontractors, nor shall the Contractor or the Contractor's officers, employees or agents be responsible for the negligent acts or omissions of BREC, its officers, employees and agents. Accordingly, Contractor shall indemnify and save BREC, its officers, employees and agents, harmless from any and all claims, suits and actions of any character, name or description brought for or on account of any injury or damage to any person or property arising out of the work performed by the Contractor and resulting from the negligence, commission or omission of any act by the Contractor, or Contractor's officers, employees, agents or subcontractors.

18. If work is to be performed on site, contractor shall furnish proof of insurance as required in specifications.

19. Payment terms for services will be Net 30 days based on the monthly invoice. Agencies will be invoiced monthly in arrears by the contractor. Advanced payments shall not be made.

20. BREC reserves the right to cancel this contract with thirty (30) days written notice.

21. **Termination for Cause:** BREC may terminate this Contract for default by giving the contractor written notice thereof, specifying with particularity each such default. After the first such notice of default, Contractor shall have ten (10) days after receipt of notice to cure or take reasonable steps to cure the default. If the contractor fails to cure or take reasonable steps to cure the default within such ten-day period, BREC may declare this Contract, as appropriate, terminated. In the event of a second notice of default, whether for the same or a different infraction of contractual obligations, the contractor will be given five (5) days to cure the default. If a third notice of default should become necessary, the contract may be terminated upon notification of said default.

22. **Termination for Convenience:** BREC may terminate this Agreement at any time by giving thirty (30) days written notice.

23. **Termination for Non-Appropriation Clause:** Should the Invitation to Bid result in a multi-year contract, a non-appropriation clause shall be made a part of the contract terms as required by state statutes, allowing BREC to terminate the contract for lack of appropriated funds on the date of the beginning of the first fiscal year for which funds are not appropriated.
IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

ACH Vendor Payment Authorization
Frequently Asked Questions

Q. What do I do if for some reason my payment is not deposited into my account?
A. One of the advantages of the ACH Network is that all transactions are irrevocable. Simply contact the Accounts Payable Supervisor at (225) 272-9200, and ask that your payment be traced, starting with the originating financial institution.

Q. After I apply for ACH Vendor Payment, how soon can I expect to participate?
A. The target implementation date for changing over to ACH Vendor Payment is December 31, 2015. Beyond this date, most payments made by BREC to its vendors will be made via ACH transactions. However, as BREC transitions from the old “paper” method of paying vendors to ACH Vendor Payment, some vendors may begin to receive their payments via ACH transactions before December 31, 2015. In all cases, once a vendor receives their first payment via ACH transaction, they will receive an e-mail notifying them of the upcoming deposit.

Q. What happens if I change financial institutions and/or accounts?
A. In the event that you change financial institutions, or move accounts within the same financial institution, simply provide a new ACH Vendor Payment Authorization Agreement and a voided check, and mark the “Revised” box at the top. Until your account change has been completed, you may receive your payments by mail. It is the vendor’s responsibility to advise BREC of any changes to the account prior to the scheduled deposit date. BREC requires fifteen (15) working days to process changes.

Q. Where can I find more information about ACH Vendor Payment?
A. If you receive payments via direct deposit which are forwarded from a U.S. financial institution to a financial institution outside the U.S., please indicate YES in the ACH Vendor Authorization Agreement form and contact the Accounts Payable Supervisor at (225) 272-9200.
