{ALCOHOL CONSUMPTION COMPLIANCE & MANAGEMENT PLAN}

No approval for the consumption of alcohol will be given to individuals or groups for an event targeting youth. A youth event is defined as any event with the majority of participants being under the legal drinking age of 21.

Request for alcohol consumption requires at least a (30) day notice to the Facility Manager.

Approval requires the LESSEE, at LESSEE's expense, to carry a minimum of a \$1,000,000 liquor liability insurance policy listing BREC as a third party on said policy. BREC must receive a copy of the insurance two weeks (14) days prior to the event.

Outside catering services and LESSEE will be made aware of alcohol policies and confirm in writing they have read and understand them. LESSEE and catering services are responsible to remove anything related to their rental (kegs, containers, signs, etc) upon completion of their event. All catering services must provide a copy of their ABC Alcohol Servers Permit two weeks (14) days prior to the event and follow all state and local laws. The LESSEE will be provided with names of taxi/limo services for those that may need assistance with a ride home.

All site staff affiliated with event will receive training on local and state laws regarding alcohol consumption. Staff training will include TIPS (Training for Interventions Procedures). All servers must hold a current ABC Alcohol Servers Permit which must include TIPS, hold a current Valid Driver's License, and pass a criminal background check.

A maximum of two beers or wine per person may be purchased or served at a time. Alcohol shall only be served in clear plastic containers or cans, 12 oz. maximum size. No glass containers are allowed without prior BREC permission for the use of wine glasses. Drink tickets, cash bar, or wristbands are tools that the LESSEE may be required by BREC to use to better control the distribution of alcohol during a facility rental.

Underage drinking is strictly prohibited in all BREC facilities and parks. Age determinations will be the legal age as designated by the State of Louisiana. Patrons consuming alcohol must present an eligible driver's license to the designated alcohol servers. If an underage guest is found consuming alcohol, the LESSEE will be immediately notified as will the on-site security.

Designated areas for consumption of alcohol will include all areas within the fenced grounds of the property excluding inside the Historic House, Manager's House, The Quarters, and parking lots. Serving of alcohol will only take place in predetermined areas approved by BREC. Signs will be posted near parking lots and at property exits stating "No alcohol will be allowed beyond this point". Garbage cans will be placed at exit points for the disposal of alcoholic beverages.

BREC will provide at LESSEE's expense adequate security for the operation of the activity. The number of officers needed to provide adequate police protection will be based on the nature of the activity and number of expected participants and will be determined by the Security Agency. A signed letter from the Sheriff's Department, City Police Department or other Security Agency stipulating the number of officers needed and their commitment to work at this event must be on file with the Recreation Department no later than (14) days prior to the event. Security Agencies working the event must have authority to search/scan patrons and to make arrests.

The facility will have a designated external monitor (provided by the LESSEE) responsible for insuring that all outside activity taking place by patrons during the event is following local and state laws. This person along with BREC staff will ensure no alcoholic beverages are consumed beyond designated areas or leave the site.

BREC staff will immediately address issues of public intoxication and antisocial behavior as a result of their TIPS training. Anyone in this condition will be first given a warning and the opportunity to cease the activity. If a person appears intoxicated, the BREC staff or catering service will not sell beer or wine to that patron. If the patron becomes belligerent, local law enforcement will be contacted to handle the matter.
