

BREC's Frenchtown Conservation Area

RULES & REGULATIONS

1. No hunting & shooting.

This is a conservation area with hikers on trails. To report hunting or fishing violations, contact LDWF (800) 442-2511.

City Parish Ordinance Title 13, Sec. 13:1010, 13:1011

2. Dogs not allowed in park.

Dogs are not allowed in this park due to high ecological value and risk of wildlife encounters. Visit BREC website for dog-friendly trails.

3. Park open from sunrise to sunset.

Overnight camping and campfires are not allowed.

City Parish Ordinance Title 12, Chapter 3, Sec. 12:207-272

4. No motorized vehicles.

Motorized vehicles of any kind including ATVs, motorbikes, etc. are not permitted in this park, on or off hiking trails.

City Parish Ordinance Title 11, Sec. 11:246, Ord. No. 7636

5. No overnight camping & campfires allowed.

This park is not designed for overnight camping or campfires; park closes at dark.

6. No mountain bike use.

These trails have been designed for low-impact activities only. They are not safe for bike riding. Visit the BREC website for bike trails.

7. Respect wildlife & habitat.

Refrain from feeding, harassing, killing, displacing or collecting animals and plants. Wild animals, including venomous snakes, are present.

8. Do not enter private property.

Please respect our neighbors by staying on trail and within BREC property. Use our trail map and signage for guidance.

9. Leave No Trace.

Dispose of waste properly; what you pack in, you should pack out. Trash pollutes the land and water, which is harmful to wildlife.

City Parish Ordinance Title 6, Sec 6:434

Please respect the park by abstaining from the following:

- Driving motorized vehicles within the park
- Possession or use of drugs or alcohol
- Vandalism
- Profane language
- Digging, excavating or use of metal detectors

CAUTION The park you are about to enter is a conservation area set aside to protect habitat and the wildlife and plants within. This area may contain wildlife such as snakes, ticks, coyotes and alligators and the potential to come in contact with plants such as poison ivy. Please use caution and wear appropriate attire for hiking.

All scientific research occurring on BREC property requires a Research Permit, issued by the Conservation Department. For more information: BREC.ORG/CONSERVATION
