

**Airline Highway
Community Park**
Public Engagement Presentation

My name is James Taylor and I will facilitate today's meeting. The objective of this meeting is to present to you the refined Master Plan for BREC's Airline Highway Community Park. Discussion and feedback will follow the presentation.

1. Please use the chat box to type your name and announce you are attending the meeting.
2. The first half of this meeting will be a presentation by the design team. The second half is for questions, comments and discussion.
3. Attendees will be muted upon entry to the meeting during the first half hour. Be sure to use only computer or phone audio, not both.

Have you visited Airline Highway Park?

Why do you visit?

How often do you visit ?

How far do you live from Airline Highway Park?

What are your favorite outdoor recreational activities?

a) Have you done this activity in the last 12 months?

b) Are more of these facilities needed?

Legend

- 01 Maintenance building moves closer to Airline Highway
- 02 Airgun range to remain in existing location
- 03 Baseball pinwheel layout proposed
- 04 Pathway alignments are massaged
- 05 Dog park proposed
- 06 Boathouse moves interior to the site to also support nature center uses

Legend

Questions & Discussion

Let's talk about what you've just seen and heard.

airline highway community park discussion

Respectful and polite discussion is appreciated. Your comments and chat can be heard and seen by all attendees.

1. The facilitator will un-mute meeting attendees.
2. Please strive to control background noises. The meeting facilitator will again mute sources of disruptive noise.
3. If calling in by phone you may need to press *6 to unmute your line.
4. Please use only computer microphone - or - telephone audio, not both as it creates feedback.
5. Please introduce yourself when speaking a comment to the meeting.
6. Please re-mute yourself when you are finished speaking to help control background noise.
7. If you are having a hard time interjecting into an ongoing conversation, use the “raise hand” feature or type comments directly in this chat box.
8. The chat box can either be found in the task bar below or on the side of your screen.

What did you like most about the master plan?

**Understand that a Master Plan
is a guiding document to direct
future, more detailed site design.**

**Implementation will be based on
funding, revised priorities, and
unforeseen constraints.**

Master Plan Goes to Commission
