# What is the approximate total annual income of everyone who lives in your household?

#### Do you have children?

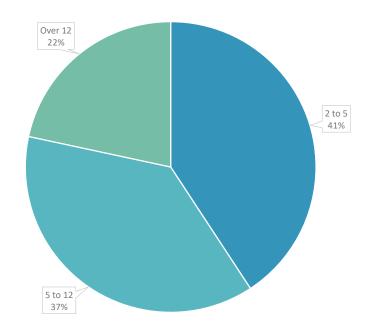

Yes 255 No 40

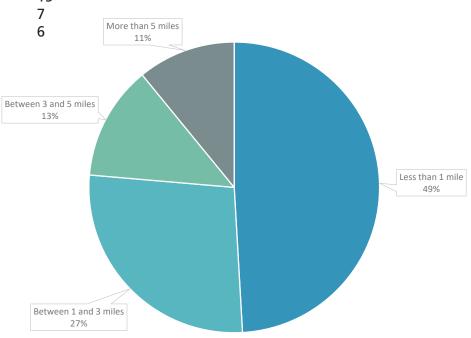

#### What is their age range?

2--5 130 5--12 120 12+ 69

#### How far do you live from Little Farms Park?

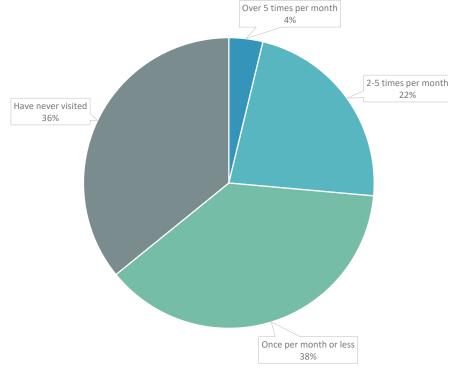

Less than 1 mile 27
Between 1 and 3 miles 15
Between 3 and 5 miles 7
More than 5 miles 6

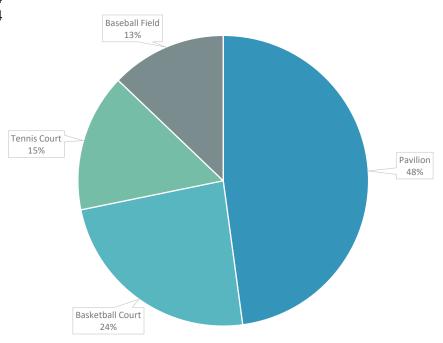

#### How often do you visit Little Farms Park?

Over 5 times per month 2 2-5 times per month 12 Once per month or less 20 Have never visited 19

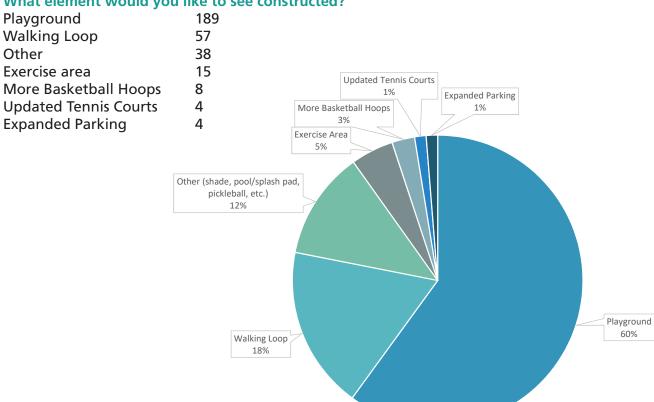

#### What amenities do you typically use?

Pavilion 134
Have not visited the park 124
Basketball court 67
Tennis court 43
Baseball field 36

#### What element would you like to see constructed?

### **LITTLE FARMS PARK PUBLIC SURVEY - COMMENT CARDS**

"A lot of interest for a sidewalk, so walking loop around the park will be very very helpful."

"Remove trees inside walkway and place to outside of walkway. This opens the interior up for ball field areas."

"Fence needs to be looked at - next door (to the south) is various hazardous deep ponds where the neighbor has dug and removed dirt. I don't see much tennis; park needs basketball goals; field use should be baseball or soccer; more interested in children's playground (vs. walking loop)."

"Would like to see restrooms; I like the idea of adult fitness walk/circuit; cut trees from around park, add wood fence on either side of the park and in the back."

"Plank Road Park not accessible during summers for neighborhood children because of BREC summer programs; Little Farms Park needs its bathrooms back; I would love Option B with the walking trail and the two piece playground equipment; upgrade the tennis court and the basketball goals." "I recommend Option B; add benches to walkway in strategic locations; I would like to see children encourage to learn various sports and if there are some adults to instruct in baseball, soccer, and other pursuits would be great; small covered shelter for picnicking; we once had some summer enrichment programs - that would be good to have again; what about lighting?"

"Keep Option A play equipment; take out small feature on A and add Special Needs swing; keep walking trail from Option B; double stripe tennis court for pickleball courts; have sidewalk along front of property, include a splash pad (small)."

"Need a restroom facility for family functions; additional basketball goal and tennis nets; enlarge pavilion (too small for group functions); make sure water fountain is not in disrepair (hose connection is not working); would like to have seating areas under trees (benches/tables)."
